

EMNLP 2026 | October 24-29 | HUNGEXPO Budapest | Gate C

Public transportation tickets and passes

IMPORTANT: EMNLP 2026 transportation is NOT complimentary. Bus 10E and Bus 10 are public BKK services. All attendees using public transportation must purchase and use a valid ticket or pass. A taxi or private car does not require a BKK ticket.

Arriving from Budapest Airport (BUD)

100E Airport Express: Direct service to the city center, including Deák Ferenc tér (connection to Metro M2). A special airport express fare applies; a standard BKK pass alone is not sufficient.

200E + Metro M3: Take bus 200E to Kőbánya-Kispest, then Metro M3 toward the city center. Standard BKK tickets and passes apply to this route.

Taxi or private transfer: Convenient for direct travel to your hotel or HUNGEXPO. For Expo Tower guests, a direct taxi or prearranged transfer is a practical option with luggage; ask the hotel about transfer arrangements.

Driving and parking

HUNGEXPO recommends parking along Albertirsai Street. The red line on the venue-provided map indicates the suggested parking area; the red cross marks the Congress Center entrance.

Parking is currently free and HUNGEXPO does not charge for it. Albertirsai Street is public property managed by the local district/government, which may introduce a 5,000 HUF parking fee (approximately USD 15 / EUR 14) at any time. Follow local signs; spaces are not guaranteed.
